Geauga Family Farms**

Nutrient Rich Produce

1st pick up Site in Lake Co.

20 week season (June-October)

First Share:

Tender greens, lettuces, green onions, radishes, rhubarb

Mid-Summer Share: vine-ripe tomatoes, sweet corn, peppers, beans, potatoes, greens, cabbage, squash....

Plus fruits in season:

ORGANIC strawberries, ORGANIC raspberries, Blueberries, peaches, plums, apples and pears are also available (Not Certified Organic)

Exact dates of harvest depend on Mother Nature! I understand if I do not pick up my share, it will be donated to a family in need!
